| Pasternack Enterprises line of 100W Attenuator<br>N, SMA and TNC in-series and between-series                      | A Male Directional Rated To 100 Watts Up To 6 GHz<br>s operate from DC to 6 GHz, and are available in 42 different 7/16 DII<br>connector combinations. Our 100W Attenuators are manufactured wi<br>connectors, and Silver Plated Brass 7/16 DIN connectors. Pasternad |
| 100W Attenuators come in 3 dB, 6 dB, 10 dB,                                                                        | 20 dB, 30 dB, 40 dB, 60 dB values and will operate from -55 to +12 are available beyond the 42 standard designs, upon request.                                                                                                                                        |
